Stafford Education Association presents

September 2023

Hello, educators! You made it to September. As proud members of SEA, Labor Day has particular significance for every one of us (and not just because we all really needed a long weekend!). Labor Day became a federal holiday in 1894, in honor of labor unions who spent years advocating for better pay and working conditions. Their legacy is the foundation of our mission today, and is evident in the work we do. The power of our collective voice is very real--just ask the bus drivers and attendants about their union advocacy last year, or the paras who are getting started on their own campaign (#gotvalue?). Want more info on the benefits of union membership? Reach out to your worksite rep or contact the union office for details. United, we truly can make a difference.

Together, we are #UnionStrong. #JoinSEA #membershipmatters

Members-Only Meeting and Town Hall with Dr. Taylor Monday, September 18th, 5:30p.m-7:00p.m

SEA will hold our first all-member meeting of the year on Monday, September 18th, via Zoom, followed by a Town Hall with Dr. Taylor. Members will get an invitation through Action Network. The Zoom link and meeting details will be sent out the week before, along with an opportunity to submit questions for the Town Hall. If you don't receive Action Network emails, please reach out to the MVU office (office@mountainviewvea.org) ASAP so we can verify membership.
