Stafford Education Association presents

November 2023

Your local union newsletter

Hello, educators! November is upon us, and one thing we can all be thankful for is our right to VOTE! This year's elections are crucial to the future of public education. We strongly urge you, please make every effort to cast your vote for the candidates who support us and our students. Ballots will no longer have party designations on them, so you will want to be informed. Have you made your plan to vote? If not, we've got a one-stop place where you can do it all: Check your registration status, find out who your local candidates are, and check to see who on your ballot has earned the recommendation of your fellow educators through the VEA Fund for Children and Public Education. It's all at our Virginia Voter Guide at [www.thevirginiavoterguide.com](http://www.thevirginiavoterguide.com). Let your voice be heard through your vote! Not yet a member and want more info on the benefits of union membership? Reach out to your worksite rep or contact the union office for details. United, we truly can make a difference.

**Together, we are #UnionStrong. #JoinSEA #membershipmatters**
