

Greetings Fellow Educators!

On January 18th, Dr. Taylor presented his proposed 2024-25 (FY25) budget to the School Board. We're including relevant links so you can familiarize yourself with his proposal. We encourage you to watch his entire presentation (Stafford School Board 1/18/24). This budget is a proposal, and must be approved by the School Board prior to being sent to the Board of Supervisors, who must then approve funding. Please educate yourself on the proposed budget. You can send feedback to Dr. Taylor or any member of the SEA Executive Board. Also, check out our advocacy calendar below. Dates marked \*\* are RED SHIRT ALERTS for all educators! Show up to advocate for what's important to you in the budget. Visibility is vital!
